

Revive

Silk Styling Crème from Senscience

Senscience Revive Silk Styling Crème is a lightweight, non-greasy, rich, formula that softens coarse, unmanageable hair while holding your style naturally and without stiffness. **Revive Silk Styling Crème** is recommended for coarse, frizzy, curly and unmanageable, limp hair and should be applied to towel-dried hair and styled using heat for ultimate results.

BENEFITS:

- Shiny, soft hair
- Smooths and softens hair
- Repairs hair as it is styled
- Improves manageability and combability
- Eliminates frizz and controls static
- Provides texture
- Maintains volume and body

INGREDIENTS:

Conditioning Silicone	<i>Improves wet and dry combing. Imparts an extremely soft feel.</i>
Conditioning Ingredients	<i>Provide excellent conditioning and smoothing. Help protect the hair from thermal damage. Improve combability of the hair and prevent static. Protect hair, by forming a shield around each strand so that it's surface is less readily attacked by physical and environmental stresses.</i>
Cationic conditioner	<i>Provides conditioning, volumizing and bodifying effects without build-up.</i>
Sunscreens	<i>Help protect from damaging UV rays.</i>
Sweet Almond Extract	<i>Protects the hair from external stresses and pollution. Allows easy penetration to the fragile areas of hair and reinforces the fibers.</i>
Hydrolyzed Silk	<i>Smoothing and conditioning properties.</i>

TIPS:

- Lightly smooth a small amount of **Revive Silk Styling Crème** on dry hair to control static and flyaways.
- For an increased shine, finish hairstyle with Renew Shine Serum after applying Revive.
